**NOTICE OF NATIONAL AND INTERNATIONAL CALL FOR TENDERS
AONI No. 09/PUMPS AND SLUDGE DEWATERING SYSTEM FOR EFFLUENT
TREATMENT/MEDEA/DDI/BGM/GS/2025**

The SAIDAL Pharmaceutical Industrial Group SPA is launching a national and international open call for tenders aimed at defining the terms and conditions for the selection of one or more companies responsible for the supply, installation, commissioning, qualification, training, documentation, and after-sales service of various pumps and a horizontal sludge dewatering unit intended for the effluent treatment plant at the SAIDAL production site in Médéa.

The contract is divided into two lots: one lot for the pumps, distributed by station, and another lot for the horizontal sludge dewatering unit.

For the pump lot, it is possible to submit a bid for one or several stations.

Only manufacturers or suppliers who have already worked in the field of the equipment covered by the tender specifications and who hold all required certifications and international compliance certificates for their products, along with valid performance certificates (at least three) and a functional after-sales service in Algeria (proven by letters of representation and commitments from local companies), may submit bids.

The tender specifications can be obtained upon presentation of proof of payment of Twenty Thousand Algerian Dinars (20,000.00 DA) or the equivalent in Euros or US Dollars (non-refundable), and a power of attorney authorizing the person to collect the tender documents. The documents will be available upon the publication of this notice in the BOMOP or national press, at the following address:
